Chassell Recreation Club
Membership Application

A membership application is not required to use the Chassell Trails. Taking out a membership helps the club with operational costs related to grooming the trails including equipment maintenance/repairs, gasoline, and ultimately future equipment, culverts, and bridge replacements. Unlike most other trail systems, the Chassell Trails rely on uncompensated volunteers to groom its trails. The Chassell Recreation Club is an IRS approved 501(c)(3) non-profit organization. Individual memberships cost $20/year, and family memberships cost $25/year. Taking out a membership entitles a household to one vote in board of directors' elections.

You can take out a membership by including Chassell on the multi-pass available through the Student Development Complex ticket office at MTU or, if you are interested in a membership just for Chassell, by completing the form below and sending it along with payment to the Chassell Recreation Club; c/o Chassell Township; P.O. Box 438, Chassell, MI 49916.
