MICHIGAN DEPARTMENT OF NATURAL RESOURCES

HOUGHTON TO CHASSELL TRAIL MAINTENANCE

BRUSHING & VEGETATION MANAGEMENT - MID-OCTOBER

WHAT'S HAPPENING

The Department of Natural Resources (DNR) will be performing brushing and vegetation management along the Houghton to Chassell Trail in mid-October. Keweenaw Trail Services, the local trail club responsible for maintaining snowmobile trails in Houghton and Keweenaw County, will perform the work.

MECHANICAL BRUSHING

Boom-style mechanical brushing with occasional hand cutting.

CLEAN-UP CREW

A clean-up crew will follow the brushing operation.

TRAIL WIDTH

The goal is a uniform 12-14-foot trail width along the entire corridor.

PROPERTY OWNERS: PLEASE ACT BY SEPTEMBER 30

Property owners are encouraged to trim and maintain ornamental trees and plantings of special concern before September 30. Please keep the planned 12-14-foot trail width in mind.

- **Keep the trail clear of vehicles and all other obstructions so the work can be completed safely.**

QUESTIONS ABOUT THIS NOTICE?

Ron Yesney, U.P. Trails Coordinator

(906) 228-6561

Please help crews work safely by keeping the trail corridor clear during maintenance.
